INTRODUCTION

MY MOTHER, Daisy Marie Washburn was born the tenth of eleven children. Her early years were marked by difficulty and poverty.

At the age of eight years, Daisy lost her mother and an older sister in a tragic auto/train accident. Daisy was raised by an older, married sister who had two children. Daisy lost three more family members before she was out of her teens—two brothers to suicide and her father to murder.

Seeded by a wise and caring school teacher with this challenge: *You cannot help the way you are born, but you can determine the way you die.* Daisy set her course to pursue a career in business and finance. However, Daisy was as dynamically involved in her church as in the public school.

When a woman missionary from India visited her church and asked for a volunteer, Daisy found herself on the platform being wrapped in the native dress for women of India. She heard this life-seeding question, *Would you like to be a missionary when you grow up?* Daisy carried a dream—that of becoming a missionary to India.

Daisy's choice set her on course to dynamically impact millions of lives, in over 70 nations. She helped women of the world discover their dignity and destiny in God's plan of redemption.

She accepted Jesus as the master of her life at 12.
She was active in youth leadership at 15.
She met T.L. Osborn, an evangelist, when she was 16.
They were married when she was 17.
They were pastoring a church when she was only 19.
She was a missionary to India at the age of 20.
She crusaded in worldwide mass evangelism at 23.
She co-founded a world missionary organization at 24.

Get her book, 5 CHOICES FOR WOMEN WHO WIN, in which she shares the vital choices she made, which lifted her from mediocrity to excellence.

Jesus appeared to Daisy personally. Years ago, God spoke to her in an audible voice and called her to *preach the gospel to women*. She looked to God as her source and to Jesus Christ as her role-model – her master.

Daisy's public ministry and her writings were interwoven with firsthand experiences. They constitute a powerful influence to convince women everywhere to seek the extraordinary purpose that God has for them.

Daisy inspired women to find within themselves those special gifts and talents which, when linked to God's perfect design, produce the fruits of fulfillment, self-esteem and true happiness.

This book helps you discover your own dignity and destiny in God's plan of redemption. You are taking a vital step toward discovering the fullness of His NEW LIFE FOR WOMEN.

WINNING WITH CHRIST

I WAS IN Lubumbashi, Zaire preparing for our crusade there when I had an unusual experience that prompted me to respond to God's ability in me and to learn the French language.

To read the account of this experience and the reason for learning French, get the complete book, **NEW LIFE FOR WOMEN**.

I made the choice to celebrate my responsibility to communicate Jesus to my world. I *did something* about it! Now, we preach and teach in three languages — English, Spanish and French.

Choose the positive attitude.

You believe that *greater is He that is in you than He that is in the world*. In.4:4

You are thankful that *God always causes you to triumph*. 2Cor.2:14

You rejoice because you know that *in all things you are more than a conqueror through Christ who loves you*. Rom.8:37

Celebrate that you and God can do anything. Accept responsibility for your part in this teamwork. Apply your power of choice. Choose to practice the awareness of Christ's mission functioning through you.

St. Francis of Assisi prayed:

**Lord, make me an instrument of peace.
Where there is hatred, let me sow love;**

**Where there is injury, let me sow pardon;
Where there is doubt, let me sow faith;
Where there is despair, let me sow hope;
Where there is darkness, let me sow light;
Where there is sadness, let me sow joy.**

- * Christ thinks through our mind now.
- * Christ loves through our heart now.
- * Christ helps through our hands now.
- * Christ listens through our ears now.
- * Christ speaks through our voice now.

The Jesus Principle

As a woman, liberate your God-given talents, gifts and power of choice to reach out to serve, bless, heal and lift your world.

Do to others as you would have them do to you. ^{Lu.6:31}

Mother Teresa said:

"We all long for heaven, where God is. But we have it in our power to be in heaven with God right now... by loving the unlovely as He does, by helping the helpless as He does, by giving to those in need as He does, by serving the lonely as He serves, by rescuing the perishing as He rescues. This is my Christ. This is the way I live."

She also said:

"Today Christ is in the people who are unwanted, unemployed, uncared for, hungry, naked and homeless. It is you and I as Christians who must find them, and help them... Thoughtfulness is the beginning of great sanctity. Jesus went about doing good."

"A Christian is a tabernacle of the living God. He created me, He chose me, He came to dwell in me, because He wanted me... It is natural that you spend the rest of your life radiating Christ's love."

Life is a sacred trust. A remarkable inscription

marks a certain tomb in Saint Paul's Cathedral at London. It reads:

SACRED TO THE MEMORY OF _____, WHO AT ALL TIMES AND EVERYWHERE GAVE STRENGTH TO THE WEAK, SUBSTANCE TO THE POOR, SYMPATHY TO THE SUFFERING, ALL AS DEVOTION TO GOD.

The highest possible worship of God is our service to human persons.

My husband, T.L. Osborn says:

"GOD IS SPIRIT! WE ARE HIS FLESH!"

We are God's expressions on this earth now. We are His body – His hands, His feet, His voice.

I can do everything that God asks me to do, with the help of Christ who gives me the strength and the power.

Phil.4:13LB

CHOICES FOR WINNERS

EVERY WOMAN can choose to be a winner.

Here are some of the facts you need for choosing to win. Order the full book to learn the complete list.

3. Are you aware that God made you special, just the way He wants you, with a unique purpose?

5. Are you aware that God's plan for your life requires talent, ability and skill?

6. Do you embrace the reality that those gifts are already in you?

The Awesome Preview

There are two categories of people, the doers and the non-doers. This fact is vividly portrayed in the preview which Christ gave us of the day when we

shall all stand before the King to give an account of what we have done, or have not done.^{Read Mat.25:31-46.}
(This portion of the scripture is printed in the full book.)

Doers are separated from non-doers. Race is not a factor, neither is our skin color, social status, culture, language or gender. The division is based on action and non-action.

The Overlooked Verse

This verse emphasizes something that many have overlooked. Many have forgotten their vital role.

Yes, each of us will give an account of herself or of himself to God.^{Rom.14:12LB}

Five Positive Choices

Five positive and dynamic choices which you have the freedom to make in your own life, can transform any person into a lifetime winner. They can rejuvenate and revitalize you as a woman. (These choices are shared in this complete book. They are expounded in my book FIVE CHOICES FOR WOMEN WHO WIN.)

THE VALUE OF PEOPLE

Love Proved Your Value

The secret of real faith is to put yourself at the heart of God's promises. I have personalized these scriptures from *The Living Bible*, for you – as a woman.

It was through what Jesus Christ did that God cleared a path for you to come to Him...for His death on the cross has made peace with God for you by His blood.

He has done this through the death on the cross of His own human body, and now as a result Christ has brought you into the very presence of God, and you are standing there before Him with nothing left against you...the only condition being that you fully believe the Truth ...convinced of the Good News that Jesus died for you,

and never shifting from trusting Him to save you... Col. 1:20, 22-23LB

He has brought you into this place of highest privilege where you now stand, and you confidently and joyfully look forward to actually becoming all that God has had in mind for you to be.

Now you rejoice in your wonderful new relationship with God – all because of what your Lord Jesus Christ has done in dying for your sins – making you a friend of God. Rom.5:2,11LB

Would He have paid such a price for you if you were not infinitely valuable to him?

Having preached in over 70 nations, we knew some of the doctrines and teachings of the world's great religious founders; Mohammed, Buddha, Confucius and others. But we also knew that Jesus Christ is the only one who died for His followers. He is the only one who loved them enough to lay down His life for them. He is the only one who rose from the dead and came back to carry on His ministry of love through those who believe on Him.

When Jesus returned from the grave, He showed them His eternal scars and wounds, the proof of *The Value Of People*. He loves you. He paid the price.

Service To The King

We express our love to God by expressing His love to people. We serve God by serving people. We touch God by touching people. We exalt and praise God by lifting people. Our commission is to *every creature*. Mk.16:15

That seems to be an impossible task, except that He has promised us: *Lo, I am with you always*. Mat.28:20
That is our power source.

Christ Unlimited In Women

Christ's immortal words are: *Inasmuch as you have done it to one of the least of these, my kinspeople, you have done it to me.*^{Mat.25:40}

This scripture is a clear focus of the standard by which every woman's life will be weighed.^{Mat.25:31-46}

When we receive Christ, He lives in us and once more becomes God in the flesh – through us. We are His body now. We are His temple.

You have the right to achieve greatness in every area of your life. God has created in you the innate and unique abilities to guarantee your fulfillment and happiness.

It is very vital that you take your rightful place as a daughter in God's family – one who has learned the principles of God's *Success For Women*.

A WOMAN'S DESIRES

A WOMAN'S YEARNING POWER is more important than her earning power. Recognize that *God is at work within you, helping you to want what He wants*^{Phil.2:13} – to desire what He desires.

Here are three basic steps for God's NEW LIFE FOR WOMEN.

- 1st Dream beyond what seems possible to you.
- 2nd Desire what you dream about.
- 3rd Drive for your dreams.

Your Faith Is Your Desire Turned Godward

Desire-power is creative power. God wants you to have His best, but He must wait until you desire it before He can give it to you.

Prayer is desire turned heavenward.

It is time for God's royal daughters to embrace the fact that, *as He IS, so ARE WE in this world.*^{1Jn. 4:17} When God is alive in you, your desires are His desires. ^{Prov. 11:23}

In this book, NEW LIFE FOR WOMEN, you will learn four distinct ways in which you can *Practice the Presence of Jesus* in your life. You will begin recognizing His presence in you. Order your copy of this book today, you will never be the same again.

Be sure to get the other books I wrote, because each of them will strengthen your faith as a woman, even more. Re-read our books often and water them with your thanksgiving and your praise to God for the rich legacy with which He has endowed you.

YOUR STEPS TO FREEDOM

WHEN WOMEN DISCOVER their roots in God and identify with His purpose, they will begin a productive lifestyle based on positive faith, positive thinking, positive talking and positive acting.

I have been inspired to share with you ^(in the printed book) 52 facts—one for every week of the year—which capsulize the foundation truths I have shared with women around the world. They constitute *Your Steps To Freedom*.

Get the complete book to study, learn and apply these scriptural facts personally in your life. As you mount these significant steps, you will discover new power, goals, and reasons for living. You will be transformed from defeat to success, from sickness to health, from boredom to enthusiasm, from problems to solutions, from pressure to pleasure,

from poverty to prosperity, from hopelessness to happiness and from despair to exciting optimism.

The Bible says: *Old things are passed away; behold, all things are become new.*^{2Cor.5:17}

When you are discouraged, or tempted to doubt your experience with God, rehearse these fifty-two facts. Make the verses your confession, as a woman.

Value What You Say

Words are seeds, they have the ability to produce what they say. I believe that God's words are energized by His own divine, miracle-working life. He created the world by the power of His word, and the Bible says, *the word of the Lord endures forever.*^{1Pet.1:25} His word is as powerful today as it ever was.

Solomon said:

You are snared with the words of your mouth, you are taken [captive] with the words of your mouth.^{Prov.6:2}

If you talk salvation, health, happiness, prosperity and success, by your own words you are planting those good seeds in your life and you will inevitably reap their harvest.

When any believing woman sees herself in Christ, and then begins to confess that, she becomes an irresistible member of the body of Christ—a royal daughter in God's family, with all of the rights and privileges of any member of His divine household, disciplining herself to act according to His word.

Confidence Is Vital

God expects us to have confidence in what He says. When you do not trust God, you do not trust yourself, or others.

4 SECRETS OF THE JESUS LIFE

SINCE YOU HAVE BEEN CHOSEN by God who has given you this new kind of life, and because of His deep love and concern for you, you should practice tenderhearted mercy and kindness to others. Don't worry about making a good impression. But be ready to suffer quietly and patiently. Col.3:12LB

Be gentle and ready to forgive, never hold grudges. Remember, the Lord forgave you, so you must forgive others. Col.3:13LB

Make the most of your chances to tell others the Good News. Col.4:5LB

And whatever you do or say, let it be as a representative of the Lord Jesus. Col.3:17LB

There are many secrets to living the truly powerful and productive Jesus-life. The four that I share with you (24 pgs. in the printed book) are essential and highly significant.

Order your copy of this complete book today, and read many personal experiences and encounters with people in need, which was met because an individual was willing to let Christ use them and respond to the ability He placed in them.
